PROFESSIONAL SUMMARY

Computer Engineering student with a deep interest in software development and the underlying logic of complex systems. A meticulous coder who prioritises clean architecture, with hands-on experience in Python-based AI classification and full-stack web applications. Leverages a strong foundation in hardware-software integration to deliver high-quality, efficient code in professional software environments.

EDUCATION

De La Salle University - Dasmariñas

Brgy. Fatima 1, Dasmariñas City, Cavite, Philippines, 4115

2022 - Present

Bachelor of Science in Computer Engineering

- Projects

- **AI Waste Classification System** - A computer vision system developed using Python that identifies and categorises garbage in real-time.
- **Full-Stack SMB Web Application** - A custom website for a local food business developed with HTML, CSS, PHP, JavaScript, and MySQL, featuring three integrated APIs to meet specific business requirements.
- **2-Meter Automated Conveyor System** - A conveyor system built with IR sensors, a BCD 7-segment display for item counting, and button-controlled operations, all coded via Arduino IDE.
- **Line Following Robot** - An autonomous robot engineered using a Microchip microcontroller and coded in MPLAB IDE with PID functions for precision tracking.

St. Edward School Faith Campus

Kensington 1 Subdivision, Lancaster New City, General Trias, Cavite, 4107

2020 - 2022

High School Diploma - STEM Strand

SKILLS

TECHNICAL SKILLS

- **Programming & Scripting:** C++, Python, Java, JavaScript, PHP.
- **Web Development:** HTML, CSS, PHP, MySQL, and Web API Integration.
- **Databases:** Microsoft SQL Server, MySQL.
- **Software & Tools:** Visual Studio Code, Android Studio, Git/GitHub, EagleCAD, Fusion360, AutoCAD, Windows Server.

EMBEDDED SYSTEMS & HARDWARE

- **Microcontrollers:** Altera (FPGA), Microchip (MPLAB), and Arduino
- **Hardware Design:** PCB Design and Fabrication, Hardware-Software Integration, Circuit Troubleshooting, and Breadboarding

INTERPERSONAL SKILLS

- **Communication:** Fluency in both English and Filipino
- **Professional:** Active Listening, Team Collaboration, and Time Management
